Special Thanks

We hope that you have enjoyed this concert as much as we have enjoyed choosing pieces to illustrate the many sounds and dynamic ranges available from the organs and pianos we use to accompany our congregations. Some of artists will have CDs available for sale at the reception.

The performers and our AGO chapter want to thank United Congregational Church for the use of this wonderful facility; the United Pilgrim Fellowship for decorating Pilgrim Hall; and to the United Church's Board of Music for hosting our reception. Also thanks to The Westport Inn, Westport, for donating our refreshments today.

Although our performers are largely donating their services for this special concert there remain many additional expenses. A suggested donation of \$5 per person will help defray those costs. Net proceeds from today's concert will benefit the Louise Miller Organ Music Scholarship.

Please join us for a reception and chance to meet our performers and AGO members downstairs in Pilgrim Hall.

Upcoming event at United

Sunday, November 2nd at 4:00 pm
