Reception in Pilgrim Hall!

Come join us for wonderful refreshments and to show off those costumes downstairs right after the concert.

Special Thanks

We hope that you have enjoyed this concert as much as we have enjoyed choosing pieces to illustrate the many sounds and dynamic ranges available from the organs and pianos we use to accompany our congregations. Some of the artists will have CDs available for sale at the reception.

The performers and our American Guild of Organist (AGO) chapter want to thank United Congregational Church for the use of this wonderful facility and to the United Church's Board of Music for hosting our reception.

Although our performers are largely donating their services for this special concert, there remain many additional expenses. A suggested donation of \$10 per adult will help defray those costs; under 18/free. Net proceeds from today's concert will benefit the Louise Miller Organ Music Scholarship Fund. Every year the Greater Bridgeport AGO awards a young organist performance major a scholarship to defer some of their education spending. We want to be able to increase this scholarship through programs like this today.
