

The Greater Bridgeport, Connecticut Chapter ~ American
Guild of Organists

*~ The M. Louise Miller-Paul E. Knox
Scholarship Competition Award for 2017 ~*

The M. Louise Miller Scholarship Fund was begun in 1998 to honor Dr. M. Louise Miller's 85th birthday. Dr. Miller (1914-2008) was a founding member of The Bridgeport, Connecticut Chapter AGO in 1948 and served the area with much distinction in regard to organ performance, choral training and directing, church music, concerts including sacred oratorios, teaching and promoting the organ and its repertoire, and community service. In 2015, with the passing of fellow colleague Dr. Paul E. Knox (1930-2015), collaborator with Ms. Miller and known for the same professional level of excellence, the chapter renamed the scholarship fund to include both leaders. It is the Chapter's desire to continue Dr. Miller's and Dr. Knox's contributions and ideals by supporting a young person who wishes to pursue the organ as a career.

Eligibility

The M. Louise Miller –Paul E. Knox Scholarship Award is open to any undergraduate student who is, or will be, enrolled in a program of organ study at a University, Conservatory or College within the United States of America.

Required Application Materials

A free Dropbox folder link will be provided when you are ready to upload all application documents too large for standard email. Our goal is to make this submission paperless.

1. ***Digital recording:*** Prepare a high quality digital recording (video preferred) on a pipe organ to include the following repertoire in the order listed. Separate movements may be recorded in separate takes; however there is to be no splicing or editing within movements or compositions. The Bach selection and the Romantic/20th century selection may be recorded on different instruments (please provide specifications for both instruments). Total playing time must not exceed 30 minutes.

Repertoire Guidelines: One complete piece (or movement) from each category:

- a. **Baroque** ~ any Prelude/Toccata/Fantasia and its appropriate Fugue by J. S. Bach (including the "8 Little Preludes and Fugues" often attributed to Bach) or two movements (slow and fast) from one of the six Trio Sonatas by Bach.
 - b. **Romantic/20th Century** ~ one complete movement (or one complete shorter piece) from symphonies, sonatas, chorale-based pieces, etc., by composers whose works are representative of the 19th- and early 20th-century idiom.
 - c. **Hymn** ~ An introduction and two (2) verses of a hymn of your choosing, as you would play it to accompany congregational singing. Include a photocopy of the setting as printed in your hymnal and indicate which two stanzas you are using. Do not include more than two verses in your submitted recording.
2. **Organ Information Sheet:** Please include the location, stoplist, number of manuals and stops/ranks, and builder of the pipe organ used for your recording.
 3. **Confirmation of Recorded Performance:** Complete the Confirmation of Recorded Performance Page. It must be signed by the performer and a witness to the performance. If two different organs are used, complete a separate form for both recording sessions. This document with signatures can be scanned and sent with other required materials via email or the Dropbox.
 4. **Written Essay:** Write a brief essay (100-300 words) in which you address the following topic:

The Miller-Knox Scholarship was inaugurated in 1998 in part to address a decline in the number of undergraduate organ majors in the United States by helping to support the college-level studies of promising young organists. Upon completion of your studies, how do you envision yourself contributing to the viability of organ performance and/or church music as a sustainable career choice? Are you involved in any such activities at the present time?
